## PROFILE

Since graduating from the University of Zagreb School of Medicine in 2000, Dr. Ivona has been working in the dental and aesthetic medical fields - Croatia, Slovenia, India, S.Korea and China. Dr. Ivona has also spoken at **many international conferences**, published two books and organised workshops and seminars to train medical professionals in the field of **anti-aging and aesthetic medicine**. Additionally, Ivona has a keen interest in **stem cells and their regenerative properties** and is currently involved in therapeutic applications derived from adipose cells.

Dr. Ivona is a member of the renowned **Medical Board of Bioscience Institute San Marino/ UAE/ Hong Kong** and she is recognized as an official trainer of regenerative medicine and stem cell anti-aging. She is president and founder of **AFD (Academy of Face Design)** London and former president of **AAFE (American Academy of Facial Esthetics)** Hong Kong / China.

## WORK EXPERIENCE

2018

President and founder of **Academy of Face Design (AFD)** London, UK

2017

President of American **Academy of Facial Esthetics (AAFE)** HK / China

2016

Official trainer and developer (R&D) for Bioscience Institute Regenerative Medicine & Stem-Cells

2015

Published book: "**Face Enhancement and Rejuvenation**"  
(Publisher: Europa Press Holding)

A reference book detailing aesthetic protocols combining dermal fillers, botulinum toxin, PRP and pioneering stem cells in skin health. These protocols can be used to deliver tailor made treatment plans in clinic depending on a patient's needs. Other topics covered in the book include dental anti-ageing as well as the Hollywood smile makeover.

2012

Published Book "**Lice-Mathematics and Geometry of Aesthetics**"  
(Publisher: Europa Press Holding)

Understanding facial anatomy and how measurements such as the ogee curve and gonial angle can help practitioners to deliver optimum treatment results within the parameters of a patient's bone structure. In turn this helps practitioners manage patient expectations and satisfaction.

Global speaker at conferences including IMCAS, ITCAM, MEVOS, etc.
